

# BADEN BOARD GMBH

**Business:** Producer of recycled carton board and folding board boxes

**Sector:** Board and Packaging

**Status:** Current

Founded in 1882 as a wood grinding mill, Baden Board GmbH is a medium-sized company with around 300 employees and annual sales of almost EUR 100 million. The traditional company is based in the Murg Valley and comprises both a board mill and conversion plant.

As »Baden Karton« the company produces around 150,000 tons of folding boxboard per year for the food and consumer goods industry. The folding boxboard is based on 100% recovered paper.

The second business unit »Baden Packaging« is a packaging specialist and manufactures innovative packaging solutions made of folding boxboard. The plant can process around 60,000 tons of folding boxboard into customized packaging solutions for customers in the food, non-food and beverage industries.
